### **COMMENTS ON DRAFT FEASIBILITY STUDY REPORT, OU-4B (IRP-11, IRP-13W, MMS-04, IRP-5S(a), IRP-6 and MPA), FORMER MARINE CORPS AIR STATION, TUSTIN**

Dear Mr. Newton:

We have partially reviewed the above-referenced document, dated August 2005, which we received on August 23, 2005. There are several gaps in the data you provided, and we would prefer to review a complete package. Therefore we will await the submittal of the Revised Draft Feasibility Study Report before completing our review. This was discussed at the October 19, 2005 BCT meeting and in our telephone conversation on October 27, 2005.

If you should have any questions, please call me at (951) 782-4498 or send e-mail to [phannon@waterboards.ca.gov](mailto:phannon@waterboards.ca.gov).

Sincerely,

*Original signed by*

Patricia A. Hannon
